

CHALLENGE AND SOLUTIONS

Many European SMEs and start-ups have a high-growth potential but they often lack visibility, access to the right network and exposure to reach the industrials and investors.

We offer an acceleration program, which provides these SMEs and start-ups with the support and tools needed to excel their businesses and trigger effective connections.

TIMING AND MILESTONES

2020

1st Gazelle Accelerator – 27 Start-ups & SME's supported
2nd Gazelle Accelerator – 19 Start-ups & SME's supported

2021

3rd Gazelle Accelerator – 15 Start-ups & SME's supported
4th Gazelle Accelerator (ON-GOING) – 21 Start-ups & SME's selected

2022

2 more acceleration programmes !
Future goal : 5 Success Stories

“ Thanks to EIT, we were able to support 82 European innovators in their business acceleration journey. ”
