

Green

ACCELERATOR

Davos

WEDNESDAY MAY 25TH 2022

HOTEL SEEHOF

The Green Accelerator, is an exclusive invitation-only platform for companies, forward-thinking executives, high-level government officials, entrepreneurs, investors, and start-ups working on solutions to climate change.

The event seeks to showcase climate solutions, cultivate connectivity and cooperation to advance climate action, the United Nations SDGs, and to support the transition to a green and regenerative economy.

Selected climate and green start-ups will be given a pitch opportunity to meet curated investors to accelerate their success and build out their solutions.

PLEASE ENQUIRE FOR PRESS OR CUSTOM OPPORTUNITIES.

*"Surely we all have a responsibility to care for our Blue Planet.
The future of humanity and indeed, all life on earth, now depends on us."*

- SIR DAVID ATTENBOROUGH
