

# LET'S ACCELERATE GREEN TRANSFORMATION TOGETHER

IMPACT FESTIVAL

5. - 6. Oct 2022  
Frankfurt/Offenbach

The IMPACT FESTIVAL is Europe's largest B2B sustainable technology event, bringing together key players and start-ups & scale-ups to accelerate sustainable transformation in our economy.

## DISCOVER

... Europe's most innovative solutions & technologies in software, hardware and platform for sustainable business transformation.

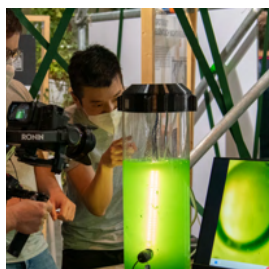

## INSPIRE

... learn from the leading scientists, visionaries and founders and take away up-to-date expertise and exchange of experience in numerous workshops.

## EXPERIENCE

... on more than 5,000 sqm the most exciting technologies for companies - new mobility concepts, clean energy solutions, materials and much more.

*"An ideal mix of relaxed vibes and boundless energy. The quality of exhibitors at this sustainable event meant everyone was on the same page, there was no half measures here ..."*
