2. ACTIVITY OVERVIEW

The information provided in this page needs to be self-contained and must not refer to other parts of the submission.

Activity Title

Generated ID

23383

Activity Purpose: crisp, in the style of an elevator pitch (max 2000 characters)

Link to Call Thematic

Select linked Flagship (Required)

Expected Outcomes and Impact of activity on economy and society (max 2000 characters)

Workplan (max 5000 characters)

Key Milestones, incl. measurable go/no go criteria where applicable

Code	Title	Description	Expected Date
Please use the '+' button to append a milestone			

Outlook beyond project funding: what will happen after the end of project (max 1000 characters)

Role of partners and team members

Partner Name	Partner Description	Partner Role
--------------	---------------------	--------------

Describe the need your proposal is addressing and how you can answer it (max 1000 characters)

Describe the target group you have identified (opportunities and barriers) (max 1000 characters)

Key Outputs

Code	Title	Description	Expected Date
Please use the '+' button to append an output			

Key Deliverables

Code	Title	Description	Expected Date
Please use the '+' button to append a deliverable			

EIT Core KPI targets

KPI Code	KPI Title	Target Value 2023
Please use the '+' button to add a EIT Core KPI		

EIT Manufacturing Specific KPI targets

KPI Code	KPI Title	Target Value 2023
Please use the '+' button to add a EIT Manufacturing Specific KPI		

Risk Management

Risk Category	Risk Title	Risk Likelihood	Risk Impact	Risk Description	Risk Mitigation
Please add at least one Risk Type to this activity					

Dissemination plan
Please describe the dissemination plan (max 1500 characters)

Synergies with other EU Instruments (max 1500 characters)

RIS ASPECTS

COMPOSITION OF ACTIVITY CONSORTIUM

% of members (organizations) belonging to RIS countries

RIS countries addressed in this activity (max 300 characters)

Activity Lead is from RIS country

INNOVATION CAPACITY

Activity will support in enhancing the innovation capacity in RIS countries

ENGAGEMENT OF EXTERNALS

Intend to involve externals (e.g. individuals, organisations, testers, evaluators, etc.) from RIS countries that do not belong to the consortium of this activity.

SPECIAL CHARACTERISTICS OF RIS COUNTRIES

Activity takes into consideration the special characteristics (strengths and weaknesses) of RIS countries

APPLICATION OF ACTIVITY OUTPUTS/DELIVERABLES/RESULTS IN RIS COUNTRIES

Activity outputs, deliverables, or results will be applied in RIS countries during the activity implementation (e.g. application of developed methodology, pilot case, training, etc)

BENEFITS TO RIS STAKEHOLDERS

Benefits to RIS stakeholders (max 300 characters)
