## PROJECT START

450 000€ EIT Funding

Accelerator programm Batch 1  
March 2022

Investor Demo Day  
Aug 2022

Accelerator programm Batch 2  
Sep 2022

Investor Demo Day 2  
Dec 2022

Impact Fund  
2024

## PROBLEM/ISSUE ADDRESSED

- Addressing the key challenges for early-stage entrepreneurs related to know-how, financing and contacts with the EIT and wider manufacturing ecosystem

## SOLUTION

- 3-month intensive acceleration program
- Follow-on 6-month business development and mentoring support
- Exposure to investors and industry partners

## WHY IT IS IMPORTANT FOR SOCIETY

- Helps identify and develop innovative green manufacturing solutions in Europe to help bring the circular economy and Industry 5.0 vision into life, linked with the concept of impact investments.
